Dear Ms. Lee,

We are pleased to provide a reference for Mary Johnson and Imagine the Impossible . . . Dance Workshop. Mary and her colleagues have distinguished themselves through their enthusiasm and reputation for excellent work with children.

ArtsPartners has had a productive and pleasant working relationship with Imagine the Impossible . . . Dance Workshop since August, 2002. Since then, they have provided services to a number of ArtsPartners elementary schools, both during and after school. These schools have been quite complimentary of Ms. Johnson and her teachers. Sandra J. Foster, the principal at B.F. Darrell Elementary School, wrote, "Her work enhanced students' self-esteem, promoted self-discipline, and filled them with pride."

Ms. Johnson has been extremely enthusiastic in our working relationship. ArtsPartners looks forward to a long, productive, and fulfilling partnership with Imagine the Impossible . . . Dance Workshop.

Please feel free to contact me if you have any questions.

Sincerely,

Donna Farrell  
ArtsPartners Program Manager
