To Whom It May Concern:

It is my pleasure to write this letter of recommendation for the Imagine the Impossible Dance Workshop. This group worked with the students of Cochran Elementary during the 2003-2004 school year. We were very impressed at how the teacher took young ladies with no dance experience and turned them in to little ballerinas. The girls were very excited about the class and took it very seriously.

We are very eager to have this group back on our campus this year. It is one of the most sought after classes that we offer. We consider it a privilege to work with this organization.

Sincerely,

Courtney Thomas  
Principal
