Dear Ms. Thorsen:

I am delighted to write this letter of recommendation for Ms. Mary Johnson of Imagine the Impossible Dance Workshop. Ms. Mary Johnson provided a dance workshop for our students for approximately fifteen weeks. Ms. Johnson and company literally transformed our students' raw talent into sheer splendor within the short time she worked with them. Her work enhanced students self esteem, promoted self-discipline, and filled them with pride. Ms. Johnson exceeded the "extra mile" to ensure that our students received quality training and experienced a concert like those seen in the professional arena.

I hereby highly recommend Ms. Mary Johnson and her company, Imagine the Impossible Dance Workshop. If you need more information, please contact me (972/749-2100).

Sincerely,

Sandra J. Foster
Principal
