Dear Mary

Mary, Mary what a gal.
 She surely is a real good gal.
 As a teacher, she's great you see
 Why she's even patient with me
 Tap, Tap, Tap, you've got to get it right.
 Until you do, you can't leave her sight.
 She doesn't miss a movement or a sound.
 You can't even fake it 'cause she's always around.
 She uses her heart and soul, she really does care.
 She's pretty, she's witty, a pleasure to be near
 The trip to see "Jelly's Aunt Jani", blew our minds
 When she introduced us to Gregory James
 And "Tap o' Mania", what a wonderful day
 We tapped, we giggled and even stopped to pray.
 With her spiritual nature, she's just a charm.
 She also makes a really great Mom!
 Thank you Mary for being a light in my life
 Hand and hand we seek peace and joy
 to overcome strife.

End

Love
Betty (BSP)
