Dear Mary,

I want to thank-you for your excellent work with the children who reside at Lakeview Cottages (a homeless facility for families). The children have participated in an area they love - dance. They also have learned patience, discipline, an ability to listen, and to follow instructions which these skills will be needed all their lives. The immediate impact was on their education. The teachers gave me very positive feedback.

I am so pleased for the children and I am so pleased with the opportunity of studying with you also afforded them. Thank-you!

Sincerely,
